NLSLA'S COMMITMENT TO DIVERSITY, EQUITY, INCLUSION

NLSLA believes that racial healing and addressing inequities related to disability, religion, sexual orientation, class structures, gender, and race, are fundamental to expanding access to health, opportunity, and justice across diverse communities.

We are committed to fostering a culture of inclusion and belonging within our organization and the communities we serve. We achieve this through:

- **Continuous Learning:** Cultivating cultural competency and humility among staff through ongoing training, open dialogue, and self-reflection.
- **Equitable Practices:** Regularly reviewing and revising policies, procedures, and decision-making processes to ensure fairness and access for all.
- **Strategic Resource Allocation:** Directing resources towards initiatives that empower diverse communities and dismantle systemic barriers.
- **Meaningful Community Engagement:** Partnering with the communities we serve to co-create solutions and foster trust.
- **A Respectful Workplace:** Providing a work environment free from discrimination and where every individual is valued, heard, and respected for their unique contributions.
